

# JCCA 2024 WA NATIONAL RALLY in Perth

Pagoda Resort and Spa - Friday 3 May to Monday 6 May 2024

## Our First National Rally in Western Australia is On!

The 2024 National Rally is to be held in Perth, Western Australia after the great response of interest at the Toowoomba National Rally.

30 rooms have been reserved at the fabulous Pagoda Resort and Spa ([www.pagoda.com.au](http://www.pagoda.com.au)) anticipating 70 attendees for the whole National Rally and more attending specific days over the National Rally.

Getting to the Pagoda Resort and Spa in the suburb of Como is easy for those flying in from the east with the airport being less than 30 minutes away.

Members driving in from the east will come in by Great Eastern Highway which continues into Canning Highway taking you to the Como district.

Pagoda Resort and Spa is just minutes from Perth CBD, Perth Zoo, Kings Park and the South Perth Foreshore, superbly positioned overlooking Perth's iconic Swan River.

There is plenty of undercover parking for our Jencars in the secure parking area and many recreational opportunities, including an outdoor pool, sauna, and fitness centre available in the resort.

A great program is planned with plenty of opportunities for socialising, driving and inspecting cars, and experiencing WA – the State of Excitement! And dress up for the *All Things Motoring* Grand Dinner!

Convoys are being planned from the east meeting in South Australia to a single convoy to cross the Nullarbor to Perth. Options are being explored for a group booking to rail/truck Jencars back east – watch this space – but in the meantime please book under Events on our website [jcca.org.au](http://jcca.org.au) – book now and pay by end February 2024.
